

GLAA Membership & Website Membership Options

GLAA Membership dues are \$30 annually and are collected in September. Annual membership is valid from September 1st to August 31st.

Below you will see listed two options for representation on the GLAA Website. Both options offer different degrees of representation. Option #1 offers one artwork image as well as your contact information available to the public. Option #2 offers up to fifty images of your artwork, your bio information, your artist's statement, your exhibits, awards you have won, contact information, links to other websites as well as providing you with a website address that you may use to show people your work.

With your paid \$30.00 membership to the GLAA, your name will be included in the roster of members on the GLAA Website. No contact information will be available to the public.

Option #1: GLAA Website Gallery Member (\$10.00)

With your paid GLAA Membership (\$30.00) plus the Option #1 payment (\$10.00) for a total of \$40.00, and upon receipt of your image, your image and info will be posted online. Members may change their image photos twice a year (in September and again in March) by submitting the new image by email to mloumc@charter.net. Submission dates will be September 1st until September 15th and March 1st until March 15th. Option #1 members must renew each year in September for \$10.00 (along with the GLAA Membership of \$30.00) in order to keep their Option #1 Website Membership.

Option #2: GLAA Website Gallery Plus Member (\$60.00)

Learn how to build your own member's page and enter up to 50 digital images of your artwork. Option #2 Membership includes: your medium, artwork dimensions, and price points. In addition, you can also add your biography, artist statement, contact information and website/blog address. Plus you may have others view your Option #3 web page by having them link to your page by using your own URL on our GLAA Website.

Classes will be given periodically throughout the year, free of charge, showing members how to create their own pages by using the "content management" feature of our website. Each Website Member will be responsible for adding content and maintaining their own website page.

Cost: \$60.00 annually for full webpage, renewable each September.

Should you decide to have GLAA Website Representation, your renewal payment for the GLAA Website Membership (Option #1: \$10.00) or (Option #2: \$60.00) will be added to The GLAA 2011-12 regular Membership renewal payment (\$30.00) so that all payments can be made with one check to the GLAA at that time. The annual GLAA Membership Meeting is held on the last Thursday in September at 7:00pm.
